AIR FARE CLASS OF SERVICE INTEREST

Airlines are now requiring for Group Travel, a minimum number of passengers in each class of service they offer. Please indicate by entering a number in the class of service you wish to purchase. Depending on the airline we choose, a separate Premium Economy cabin may be available. If you place a "1" in the Premium Economy box and a "2" in Economy, we will assume that your first choice is Premium Economy, and your second choice is Economy if Premium Economy is not available or we don't meet the minimum requirement. Similarly if you place a "1" in Premium Economy and a "2" in Business, you want to fly in Premium Economy if it is available.
